Hey Pam

I wanted to check with you about this response from L.A. Unified (forwarded email below) before I talk to Mr. Stiles about names in the yearbook. The district is saying that there is no permission slip needed for the transgender kid to have their preferred name in the yearbook since it is not a legal document.

Is this satisfactory for us to allow the kids to have their preferred names in the yearbook?

Hello Joe,

Thank you for your email. The required use of the legal name is applicable to official documents only. The year book is not an official document. You cannot have different standards for parent permission for transgender as for any other student. Therefore, there is no need to secure approval from the parents.

It is important to remember that the yearbooks are primarily for the students themselves. We cannot limit students right to free speech.

By the way, Janice Escobar sends her best. She is my colleague in the unit this year.

Subject: Transgender Students issue

Hi Hiram

I am a PSW at Palisades Charter. I have a group of transgender students that I have been working with for over a year. Last year when the yearbooks came out they were quite upset about their birth names being listed in the yearbook, rather than their actual names. It was something we hadn't thought about as we discussed ways to self-advocate. This year we met with the yearbook teacher and he was concerned that he would get into hassles with parents if he used their actual names rather than their birth names. He said that he would like to get some sort of "permission slip" from parents to use the chosen or actual name rather than the birth name. I am wondering if LAUSD has some sort of letter or permission slip that they use to get permission to use the preferred name. I'd rather use something that has already been used rather than re-invent the wheel.

Thanks for your help!

Good morning!

The E-mail threads were getting confusing, so I am starting a new one. I spoke with Greg and he explained that 1.18 (lines A-3 and A-4) are correct as that is our ESY and that 6.23 (line A-5) is the NPS ADA. These were the 3 lines Chhoung said were incorrect when we spoke.

I have a question about the supporting documents for A5, do I need to complete the supporting document for each student or can I do it by NPS?

Good Afternoon Dorothianne,

As long as Pali has a place to store them that is fine with me. We can coordinate installation as soon as the issues found during our drinking water testing program survey are resolved. I should have that notice of M&O Repairs to you by the end of the month, and we can come up with an action plan to address those and determine whether the District wants to sample with the old fixtures or the new ones.

Thanks,

Maria

Pending Work Stoppage

Dear Colleague,

As schools have reached out on the pending work stoppage, we wanted to provide a general update on the COP team and our events:

- **COP Staff** - COP staff will be deployed to district sites to support schools and may not be easily accessible during the period of the work stoppage. COP staff will have an out-of-office response on the days of the work stoppage.
- **Mental Health Symposium** - Thursday's symposium is still scheduled to take place. We will reach out if there are changes.
- **COP Events** - Upcoming Option 3 events are still scheduled (i.e. interviews, Fiscal Council, etc.). We will reach out if there are changes.

While we are hopeful a solution will be reached soon, we will provide periodic updates if the work stoppage takes place.

Thank you in advance for your patience and understanding.

1.1	Lori Dudler, LCSW, Mental Health Consultant and Eileen Lemus, LCSW, Mental Health Consultant	LAUSD School Mental Health (SMH), Local District Northeast	<i>No One Just Snaps: Threat Assessment and Management (Best Practices)</i>	Participants will engage in professional learning and dialogue to create a shared understanding of best practices for "Threat Assessment and Management". Determine steps that could be taken in the immediate aftermath of a threat made to an individual and/or school campus. Learn the importance of creating Actions Plans that will address long term safety concerns.
1.2	Leilani Morales, PSA Field Coordinator, Mario Vega, Lead PSA Counselor, and Chan Paulino, Lead PSA Counselor	LAUSD Pupil Services and Attendance (PSA)	<i>Working with Chronically Absent Students</i>	Improving school attendance requires a collaborative effort. A systems approach includes advocates who utilize a three-tiered model (prevention, early intervention, and intensive intervention) to improve individual and school-wide student attendance. Prevention incorporates universal strategies such as each school sending a clear and consistent attendance message. Early intervention includes schools making phone calls to a targeted student group (i.e. students with basic attendance). Intensive intervention requires targeted group intervention, such as connecting chronically absent students to resources that address attendance barriers. By utilizing a tiered model and placing students into attendance bands, stakeholders can draw on best practices for each target group.
1.3	Nicole Mitchell, Coordinator and Lorena Vazquez, Specialist	LAUSD Student Enrollment Placement and Assessment (SEPA)	<i>A Multidisciplinary Approach to Supporting Immigrant Families</i>	Overview of supports and resources needed to address the needs of immigrant families, including undocumented youth.

Student services professionals are called to be leaders in their schools and districts as they implement a comprehensive programs utilizing Multi-Tiered, Multi-Domain System of Support with prevention and data-driven intervention practices. This session will build on the keynote session and provide opportunities for hands on activities and Q & A.

2.3	Judy Chiasson, Administrator	LAUSD Human Relations, Diversity and Equity	<i>Are We There Yet? Addressing Risk Factors Among LGBTQ+ Youth</i>	The increased visibility and acceptance of LGBTQ+ identities has dramatically improved mental health outcomes for LGBTQ+ and their families. Subject: National Honor Society

Date: Friday, January 4, 2019 at 2:29:00 PM Pacific Standard Time

From: CLEO WAXMAN-LEE

To: pmagee@palihigh.org

Dear Ms. Magee,

I will be attending Pali as a freshman in August of 2019, as I am currently an eighth grade student at Paul Revere. I am an active member of the California Junior Scholarship Federation at school, and I am planning on joining the California Scholarship Federation in high school in addition to joining the National Honor Society. I was wondering if Pali currently has a National Honor Society chapter or if I could start one. Please reach out at your convenience. Thank you in advance.

Sincerely,
Cleo Waxman-Lee

Update on November Transfers

Dear Colleague,

Thank you again for your patience for the November transfers.

We wanted to provide an update for those charter schools who completed an Acceptance & Transfer Request (ATR) for STEPS, PDG, Impact and/or Innovation grants on or before November 14, 2018. If your school completed the ATR before November 14th, your school should receive funding by the last week of December/first week of January. For those charter schools who completed the ATR after November 14, 2018 but by January 10, 2019, you will receive your funds by the first week of February.

To review the transfer amount, please download [this document](#) and locate your school's location code.

Should you have any questions, please reach out to [La Shun Washington-Ajayi](#).

Have a safe and happy holidays!

My dearest Palisades Charter High School family,
Although I do still have three more days of work with LAUSD...I didn't want the time to get away from me without letting you all know how incredible you all are to me and what an extraordinary honor it has been to serve you in my administrative specialist assignment for CSD. The past four years working with you has been one of the most significantly powerful experiences I've ever had in my 30 year career. You epitomize all that I believe in as an educator and leader...commitment, dedication, honor, integrity, perseverance, creativity, inspiration and empowerment. Your ability to address all situations that arise with grace, dignity and clarity is truly something to be extremely proud of....your ability to look at challenge and creatively problem solve to move forward dedicated to your mission is truly impressive. I am moved by who you are and what you do to support the growth of the individual student into a future that inspires contribution as citizens of tomorrow. The inspiration, vision and innovative practices that drives your purposeful mission is empowering and has touched my life significantly.

Stay in touch! My personal email is chris.bocelli@gmail.com and my personal cell is 949-285-8908. When you get to Tennessee do call...I look forward to ongoing friendship and I want to keep hearing about all you are doing!

Take care of yourselves,
Chris

Btw, I will let you know who your new person is as soon as I find out before the end of the week.

They are not achieving less — they are being given less by a school system that doesn't believe they can handle more challenging work. Read their recent blog [HERE](#).

Subject: Academic Decathlon Schedule

Hi Kathy,

I wanted to introduce myself and ask to be included on group correspondence related to Academic Decathlon programming. I am the Executive Director at Palisades Charter High School. I know this has been a busy, challenging time for your department and LAUSD as you try to deal with the impact of the recent fires and anticipate the repercussion of a possible teacher strike on student events. Like you, Pali is trying to make decisions keeping the best interest of students in mind. Please feel free to contact me if I can ever be a resource for you.

Sincerely,

Dear Academic Decathlon Coaches and Administrators:

The situation with the possible work action interfering in the Academic Decathlon competition this year has resulted in the need to create and implement a unique schedule.

We have been working closely with CAD and USAD via CAD to provide the competition within the given deadlines.

We realize it is upsetting and unfortunate as the usual amount of preparation time has been disrupted. **PLEASE** know we have made every attempt to maximize available days and resources.

The following will be the schedule for the 2018-2019 Academic Decathlon competition as long as the job action does not interfere with the dates.

Date	Activity	Location/Time
December 6-12	Essay online practice	Individual School Sites
January 11	Essay online	Individual School Sites 7:00 am – 5:00 pm
January 31	Objective Tests online	Individual School Sites – Schedule to be sent**
February 2	Speech/Interview	Roybal LC 9:30 am – 1:10 pm ***
February 2	Lunch Break	Roybal 12:15pm-1:45pm ****
February 2	Line Up for Super Quiz	Roybal outside gym 2:00 pm -2:30 pm
February 2	Doors Open for Super Quiz	2:30 pm
February 2	Super Quiz	Roybal LC 3:00 – 5:00 pm

** A specific schedule is being developed to ensure integrity with the tests. Once it is released arraignments may need to be made with cafeteria staff to allow the team to eat when planned.

The students will need to be supervised and remain together but isolated from the rest of the campus and their electronics during the testing period.

Additionally, it is understandable that there may need to be 2/3 proctors for the tests.

*** There will not be AM/PM grouping.

**** Time will be included with the lunch break to allow students to change from formal attire
